7 WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

8 UNITED STATES OF AMERICA,

9 Plaintiff,

10 v.

11 ANTHONY JACQUES McKINNEY,

12 Defendant.

CASE NO. CR19-203-RSM

ORDER RE MOTION FOR DETENTION
HEARING

13
14 Defendant Anthony Jacques McKinney has filed a “Motion for Detention Hearing” (Dkt
15 197), which has been referred to the undersigned United States Magistrate Judge for decision.

16 Defendant was originally indicted in CR19-207RSM on a charge of Conspiracy to
17 Distribute Controlled Substances. He was arraigned on October 29, 2019 and a Detention Order
18 was entered. (Dkt. 12, 13.) Subsequently, a Superseding Indictment was filed in CR19-203RSM
19 on November 27, 2019 charging defendant and co-defendants with Conspiracy to Distribute
20 Controlled Substances and other charges. Defendant was also charged with Felon in Possession
21 of a Firearm. He was arraigned on December 5, 2019. On motion of the government, CR19-207
22 was dismissed on January 3, 2020 (Dkt. 18).

23 Defendant moves to “set a detention hearing to hear further argument in support of the pre-

1 trial release of Defendant McKinney.” (Dkt 197 at 4.) The Court notes, however, that the case in
2 which Defendant was detained has been dismissed, so neither the Detention Order nor any other
3 order has any continuing force or effect. The government has not filed a Motion to Detain
4 defendant in CR19-203RSM. Therefore, defendant’s Motion for Detention Hearing is either moot
5 or premature. The motion is DENIED.

6 DATED this 6th day of January, 2020.
